

CATARRH DOES HARM

Whether It Is of the Nose, Throat, or Other Organs, Get Rid of It.

Catarrh of the nose or throat when it becomes chronic weakens the delicate lung tissues, deranges the digestive organs, and may lead to consumption. It impairs the taste, smell and hearing, and affects the voice. It is a constitutional disease and requires a constitutional remedy.

Take Hood's Sarsaparilla, which by purifying the blood removes the cause of the disease and gives permanent relief. This alternative and tonic medicine has proved entirely satisfactory to thousands of families in three generations.

If there is biliousness or constipation, take Hood's Pills—they are a thorough cathartic, a gentle laxative. Adv.

The brothers were convicted last week of selling for 22½ cents a pound five barrels of sugar, for which they had paid only 9½ cents a pound.

HOTEL GUESTS FRIGHTENED

When Boiler Blew Up in the Junction House at White River Junction

OTHER BUILDINGS WERE MUCH JARRED

Boiler Completely Wrecked but Other Damage Was Slight

White River Junction, Nov. 18.—An explosion of one of the boilers in the Junction house heating plant at 8:30 last night threw the 200 guests into consternation, shook the surrounding buildings and did several hundred dollars' worth of damage. No one was injured, but Billy Barton, a clerk in the adjoining drug store, who was walking over a trapdoor at the time, was thrown heavily when the force of the explosion lifted the trapdoor.

The cause of the explosion is thought to have been due to a leaking boiler. Water dropped into the fire box and when more coal was thrown on the fire it is thought to have generated gas. The sides of the boiler were blown out and the top lifted off, the boiler being completely wrecked.

How to Keep Baby Smiling and Well

See that the daily functions are regular and normal

YOU can't expect the little ones to be happy and playful when the head feels dull and the stomach bloated. The normal habit of children is to be happy and when you notice them cross and fretful you will usually find constipation is responsible.

Perhaps they have missed that daily function so necessary to comfort and health. Look at the tongue and see if the breath is bad. Watch for belching. These are the tell-tale symptoms of constipation. Tonight give a little of Dr. Caldwell's Syrup Pepsin, which you can buy at any drug store for 50c and \$1 a large bottle, and it will act in the morning and the troublesome symptoms promptly disappear.

Dr. Caldwell's Syrup Pepsin is a combination of simple laxative herbs with pepsin. Unlike the harsher physics it acts gently and without griping so that while grownups can use it freely it can also be given to a tiny baby with perfect safety. Thousands of American families would

not think of being without a bottle in the house for the emergency arises almost daily when it is needed.

In spite of the fact that Dr. Caldwell's Syrup Pepsin is the largest selling liquid laxative in the world, there being over 6 million bottles sold each year, many who need its benefits have not yet used it. If you have not, send your name and address for a free trial bottle to Dr. W. B. Caldwell, 511 Washington St., Menomonee, Illinois.

Makes Life Worth Living

You cannot be constipated and happy at the same time. If almost everything you eat distresses you, and brings on a headache, gas on the stomach, heartburn, etc., you can easily eliminate these conditions by taking SEVEN BARKS, the favorite root and herb remedy for stomach disorders.

SEVEN BARKS will expel the distressing acids, and dangerous poisons, and help you back to good digestion and active health, making life worth living again.

Do you sleep well? or are you troubled with almost nightly? While there are many causes for sleeplessness, it generally happens that deranged stomach, liver or intestines are the real cause of the trouble. If your appetite is not good, or food distresses you, or the bowels do not move daily, you can get quick relief from these disagreeable conditions by simply taking 10 to 20 drops of SEVEN BARKS in a little water after meals; this is nature's remedy, made from the extracts of root and herbs, has stood the test for nearly 50 years, and will certainly give you a feeling of new life.

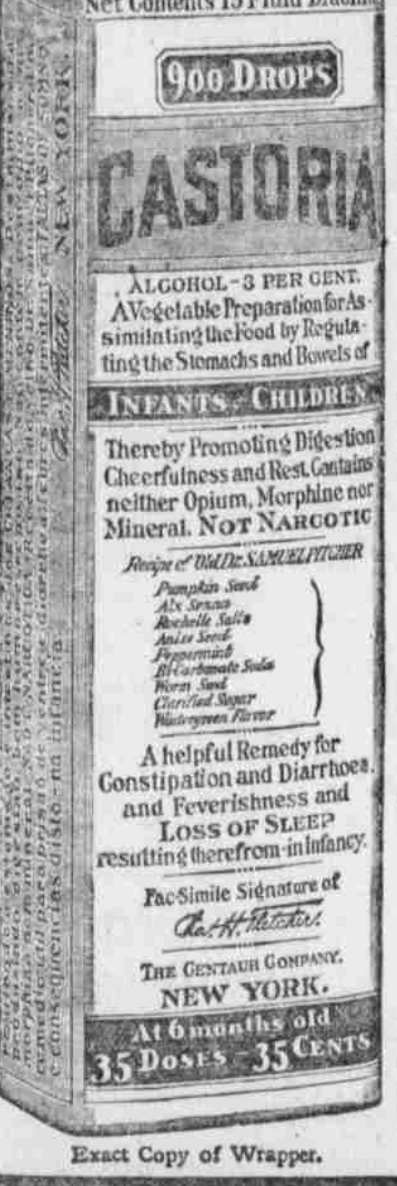

If you would have the glow of health, and banish the blues, don't neglect to ask your druggist for SEVEN BARKS. Costs but 50 cents.—Adv.

BELIEVE BOLSHIEVI ARE SEEKING PEACE

Their Entrance on Negotiations at Dorpat May Lead to Parley with Great Britain.

London, Nov. 17.—In diplomatic circles here the view is held that it is evident the bolsheviks are entering the negotiations at Dorpat regarding the exchange of prisoners with every intention of endeavoring to open peace parleys with Great Britain.

The personnel of the delegation accompanying M. Litvinoff, former Soviet ambassador to Great Britain, who heads the mission, is considered significant, as is also the fact that numerous telegrams have been received from the bolshevik government expressing the deepest appreciation of the arrangements made for the conference, the messages being couched in the most conciliatory terms.

James O'Grady, labor member of the House of Commons, who is representing Great Britain, has definite instructions not to enter into any parleys except with relation to prisoners.

A Dorpat dispatch Sunday night said the Litvinoff delegation might go from Dorpat to Copenhagen to discuss an exchange of prisoners and other questions with entente representatives.
